

Side Event 1

The WFP-China South-South Cooperation Knowledge Sharing Platform

Dr. Yan JIA
8 September 2022

WFP China COE

- Established in March 2016
- Sharing China's rich experiences with other developing countries
- Facilitating policy dialogue and research, technical training and field-level engagement
- Promoting two-way knowledge exchange and partnership building, while leveraging WFP's global network and ongoing programmes against food insecurity and malnutrition.
- Flagging women empowerment

Sharing for Learning

WFP Centre of Excellence for Rural Transformation dedicated to enhance South-South Cooperation

WFP China COE
SSC Cloud School

Go to Cloud School →

Value Chain Development for Smallholders

Focusing on technology transfer, capacity building, and participatory development of value chain strategies.

Post-harvest Loss Management and Food Systems

Supporting the food systems' operation and contributing to food security improvement in developing countries.

Disaster Risk Reduction and Climate Change Resilience

Enhancing smallholders' capacity through ecological approaches to improve livelihood.

Innovative Poverty Alleviation Initiative

Flagging China's remarkable achievements and experience on eradication of absolute poverty and rural development.

The SSC Knowledge Sharing Platform

Digitalized South-South Cooperation

Technical Support via Digitalized Tools

Digitalized Technologies Empowering Rural Transformation

World Food Programme

Policy Level

Institutional Level

Grassroot Level

Digitalized Centre of Excellence

Review South-South Cooperation engagement/activities with technical partners

digitalizing strategy

data aggregation and analysis

fundamental ICT capacity

Knowledge Sharing Platform

Be Relevant, Be Adaptive, Be Innovative

Key Objectives

1

Promoting exchanges of policy, experience and solutions

2

Enhancing capacity building

3

Creating collaboration initiative

Knowledge Sharing Platform

United Nations
World Food Programme
联合国世界粮食计划署

Four Thematic Areas

Value Chain Development for Smallholders

Focusing on technology transfer, capacity building, and participatory development of value chain strategies.

Post-harvest Loss Management and Food Systems

Supporting the food systems' operation and contributing to food security improvement in developing countries.

Disaster Risk Reduction and Climate Change Resilience

Enhancing smallholders' capacity through ecological approaches to improve livelihood.

Innovative Poverty Alleviation Initiative

Flagging China's remarkable achievements and experience on eradication of absolute poverty and rural development.

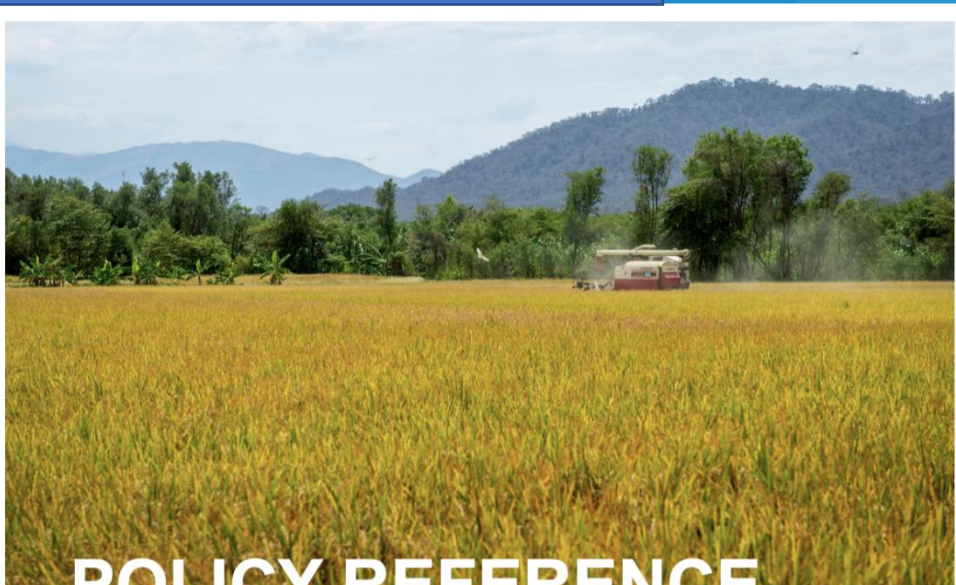

Knowledge Sharing Platform

United Nations
World Food Programme
联合国世界粮食计划署

Key Functions 1

POLICY REFERENCE

Sharing policy innovations

Policy Reference Column shares China's policy innovations which contribute to rural development, food and nutrition security and South-South Cooperation

Value Chain Development
for Smallholders

Yearbooks

No. 1 Central Document

PHLM & Food Systems

DRR & Climate Change
Resilience

International Engagement

Innovative Poverty
Alleviation Initiative

Knowledge Sharing Platform

United Nations
World Food Programme
联合国世界粮食计划署

Key Functions 2

SOLUTIONS

Focusing on demonstrating successful cases

Solution Column focuses on demonstrating successful cases of Chinese agricultural and rural development in the four thematic areas

Story

true successful story of individual farmers

Case

project-based briefing

Technical Solutions

development pattern and technical method

Knowledge Sharing Platform

United Nations
World Food Programme
联合国世界粮食计划署

Key Functions 3

EXPERTS

Dr. WANG Xiaolin

Expert in poverty alleviation and development

Dr. NIE Fengying

Expert in food security, animal husbandry economy, international agricultural information

Dr. CAO Baoming

Expert in Chinese grain economy

Mr. LIN Zhanxi

Inventor of Juncao technology

Dr. WU Pute

Expert in soil and water conservation and water-saving agriculture

Dr. LIAO Yongfeng

Expert in natural disaster risk assessment

- Seek expert advice on strategic development
- Consult for expert opinion for policy support and reference
- Engage with expert for technical guidance on SSC programming
- Invite expert to join thematic events (virtually or physically)

WFP-China South-South Cooperation Cloud School

Cloud School

WFP China COE
SSC Cloud School

Go to Cloud School →

The complex block is a vertical banner with a blue background. At the top is the 'Cloud School' logo, which consists of a white cloud with wheat stalks and signal waves above it, and the text 'Cloud School' in a white rounded rectangle below. Below the logo is a photograph of three students in a classroom; a young woman in the foreground is smiling and raising her hand, while a young man and another woman are looking at a laptop. At the bottom of the banner, the text 'WFP China COE' and 'SSC Cloud School' is written in white. At the very bottom, there is a white button with the text 'Go to Cloud School' and a right-pointing arrow.

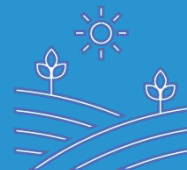

The Cloud School

United Nations
World Food Programme
联合国世界粮食计划署

an online learning centre for pragmatic, comprehensive and thematic learning programmes

The Cloud School
