

SIX Steps for SSC engagement with WFP China Centre of Excellence for Rural Transformation

About WFP China COE

Established in 2016, the WFP China Centre of Excellence for Rural Transformation makes China's experience on food security, nutrition improvement and poverty alleviation available to other developing countries, by building knowledge sharing platform and partnerships, facilitating policy dialogue and policy research, carrying out technical training, deploying experts, fostering leadership among smallholder farmers, and implementing other activities towards the goal of achieving Zero Hunger.

Engagement with WFP China COE

Country Offices are encouraged to put forward their South-South Cooperation (SSC) initiative/ concept note /proposal under the framework of the Four Thematic Areas within the Three Modalities of WFP China COE.

Four Thematic Areas:

- Value Chain Development for Smallholders
- Post-harvest Loss Management and Food Systems
- Disaster Risk Reduction and Climate Change Resilience
- Innovative Poverty Alleviation Initiative

What are the Six Steps?

Step ONE on SSC Demand:

Country Office proposes initiative/concept note/proposal (or through Regional Bureau) to China Centre of Excellence for Rural Transformation.

Step TWO on SSC Supply:

China Centre of Excellence for Rural Transformation reviews the initiative and conduct consultation including discussions with Chinese partners.

Step THREE on SSC Match:

China Centre of Excellence for Rural Transformation works together with HQ, Regional Bureau and Country Office to identify technical support, expertise, and resources.

Step FOUR on SSC Endorsement:

Country Office enters into agreement on SSC engagement with China Centre of Excellence for Rural Transformation and Chinese government partners.

Step FIVE on SSC Implementation:

China Centre of Excellence for Rural Transformation supports implementation by facilitating expert recruitment and dispatch, coordinate capacity development activities, and conduct technical cooperation.

Step SIX on SSC Feedback:

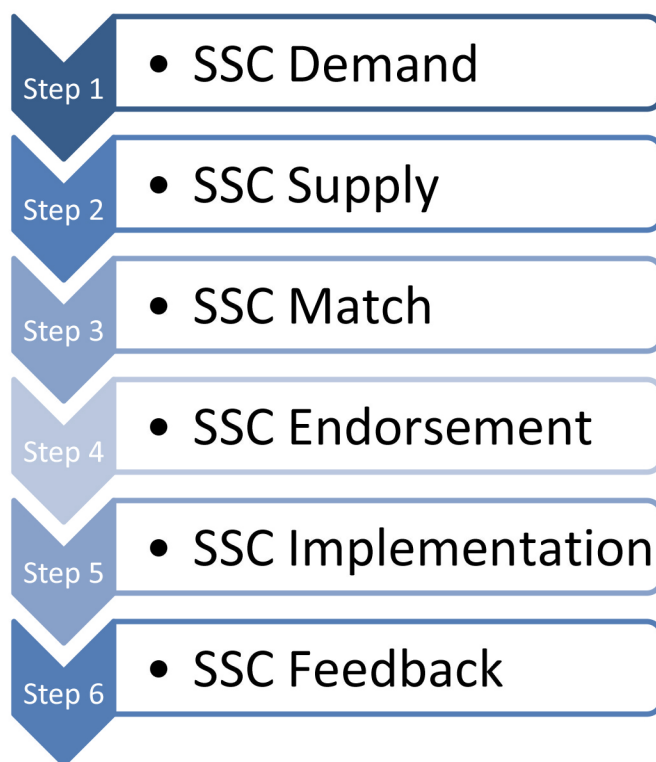

China Centre of Excellence for Rural Transformation works together with Country Office to review and summarize, collect feedback, and picture follow-ups for further actions/ scaling-ups if needed.

Three Modalities:

P – Policy dialogue, including roundtable, seminar, high-level visit, thematic-research, webinar, etc.;

T – Technical cooperation, including exchange visit, workshop, study tour and DAA (Demonstration in Africa/Asia/Latin America by Africans/Asians/Latin Americans);

K – Knowledge Sharing Platform to showcase China's policy reference, successful experience of Chinese farmers and pragmatic technologies.
